
Need something to wear to Yaoi-con? Yaoi shirts!

We have plenty of unique designs for fangirls (and boys). We have yaoi (including our infamous "two men" shirt), yuri, and seme/uke shirts, as well as jrock, asian, otaku, kawaii, and other designs! We also do custom printing as well. We carry t-shirts, babydoll shirts, tote bags, pants, and pins, so please check out our site. =^__^=
