
Weapon Question

Posted by Pikangie - 2008/06/24 02:24

I'm sorry, but I have to ask... Are metal tonfas allowed? If not, are wooden ones allowed? Clay? Plastic?
(They'd be held in hand and for poses, but not used physically towards others)

Thank you.

EDIT - Here's a picture of what a Tonfa is:

Basically the weapon Hibari uses... for a Hibari cosplay.

If they're made of metal, no:
