
PARTY

Posted by hibaakaiko - 2006/04/12 20:19

COME ONE, COME ALL! TO HIBA AKAIKO'S FREEDOME PARTY (Oct 19th, so if you get in early you will have something to do the night before the con starts!) We'll try to keep it civil and quiet so we don't get kicked out of the hotel for the yaoicon staff who are worried OO...All Bishis and fan girls invited! Bring your own Alcohol if you're of age! (I will not provide spirits for this very reason, I don't want to get in trouble for people drinking under age. If you are drinking under age, I will kick you out AFTER REPORTING YOU TO THE AUTHORITIES!!) Ex-military members will be the guests of honor! Active duty too! This is to celebrate my LAST week as an active duty marine! Free FOOD, SODAS and fun! GAMES! And Japanese music!

This party canâ€™t be if no one shows up, so RSVP by emailing me at leave_leaf_alone1@yahoo.com and Bishis who volunteer and are of age, Iâ€™ll provide you with your alcohol! (for those of you who arenâ€™t OO candy and soda all around!)

Party part B

The time will be decided the closer we get to the con, the place will probably be the Weston...not sure which room I'm in, I'll announce it once I talk to my friend a little more...and...other than that, any ideas of what will be fun are welcome ^^ I'm thinking of hardly dressed bishi twister if I can round up enough boys to play

oh! A pre-party! Might have to check this out...

I've never found a lack of things to do the night before a con... usually there's enough fans milling around the hallways, chatting with open doors, or just standing around the lobby.

I want in please! XD If location is a problem, you may be able to use my room. I should only have one or two roomies and one would be a bishie. Nothing wrong with a little bishie spin the bottle or truth or dare *evil grin*

Re: PARTY

No, you don't have to worry, because more than likely, if you need to, you can use my room, so don't worry :) *hug*

~~ I am NOT going to do that to you....this is MY party, I will take charge. After all, that is...what I get paid to do as an NCO.

So, it's about that time... *grin*

Posted by Irvine - 2006/09/05 05:18

Now that it's September, I thought that I'd revive this thread. I'm a peon now, eh...? XD Ah well, I have no problem at all recruiting people for a party... I normally do that anyway. As for owning me, however... we'll see about that. ;)

So... got a room number for us yet, Hiba-chan? Mind sending me your phone number?

I'm sorry you didn't like my joke. I won't joke with you anymore. I had no idea you were taking things so seriously in the public forum.

If you want any jmusic, I will be glad to send it to you or provide you with links. Good luck with that.

First let me apologize...~BLUSHES~ I was PMSING and stressing majorly that day. Due to all the shit that was going on in my life....and (~SIGH~) The strict deadlines I had put on myself to get my comic and other art work done for my booth....and I snapped at you all and I'm VERY VERY VERY sorry. Please forgive me. ~Gives everyone a great big hug~ I can't say it won't ever happen again, because I know it will....when I'm feeling like I'm drowning in a sea of comic pages and red ink as my costs keep going up and up and up to get this manga out ~DIES and hides under bed from her muses who're looking to kill her~ But I SHOULDNT be acting like that nasty PMS bitch lady again for a while ~~
