Honestly just get them off my hand please. If you live in SF and can get the book in person the better, I live in Geary / Leavenworth area, otherwise i may be able to ship the item if you buy more than 10 books, you pay the shipping cost.

The title is in below posts. Email me if you have questions. L.sudjono@hotmail.com

Hi.^ I'm pretty interested but I'm currently here in the Philippines but someone is willing to accept the items for me there in the US. She's in LA. If the items are still available, I'll be paying through Paypal.. I'll understand if there will be extra paypal fees.^ And can you do combined shipping through media mail?^ I'm gonna email you the list of titles I'm interested on buying later.. hehe. You have such a long list. I'm envious of you!!.. And are they still in great condition?
